Vision

To provide a healthy and wholesome environment for the youth and young adults of North Texas enabling them to participate in the western programs and sports that they love.

Our Purpose

We seek out opportunities to make differences in the lives of young men and women - using the extreme sport of rodeo, faith, powers of personal strength and determination, family values and the almighty power of God.

Our Goal

To see that all of those who participate in our programs receive the gift of ministry and find the strength and encouragement to become successful in the arena of life. We desire to see families built up rather than torn down; we challenge them to become victorious and seek a better life for themselves and their family. A life of hope and prosperity free from drugs and alcohol and to never give up on their dreams. In short, we wish to have a powerful impact upon our community, the rodeo world, the western world, and to all those with whom we come in contact with for Jesus Christ.

Together we can make a difference !
